TAKE THE STOPS PULLING CHALLENGE

STOPS PULLING CHALLENGE CATEGORY B

Using a HALTI® Harness - Week Four

You should now be ready to follow the general training programme in the 'stops pulling' guide.

Don't worry if you have only just got to this point, it takes time and practise to achieve results that last!

If at any point he resorts to pulling do not be ashamed to refit your HALTI® Harness until he is listening and responding to you!

Whenever you go into a new, exciting environment fit your HALTI® Harness as standard – only removing it once he is listening to you and responding well to training!
